To

The Secretary to the
Government of Mysore,
Mulkai Department.

Sir

As per instructions contained in the Under Secretary's D. O. letter dated 15th February 1893, a fence was raised around the Temple of Chennakeswaraswami at Hullekere, in the Arsikere Taluk, which is of great antiquarian interest. The expense incurred for the purpose is stated to be

one

one Rupee and the Amildar of Arnikere solicits instructions for the payment of the same I have therefore the honor to submit herewith for sanction the Amildar's report No. $\frac{502}{206}$ Dated 22d. August 1893 with its enclosures on the subject. —

2 — I thought of paying the amount out of the Inamdari "Hosahead" of the Taluk. But on referring to Proceedings No. $\frac{39-49}{\text{on } 2}$ Dated 14th April 1892, I understand that I am precluded to sanction or incur any expenditure without the previous sanction of Govern-ment. This is a matter of very great insignificance and I more

note that the Deputy Commissioner possesses no power to sanction the payment of even a single Rupee without orders of Government but that he has to carry on Correspondence with the Government on such a trivial matter like the one under reference.

3 — Para 2 of the Proceedings quoted above, gives power to Deputy Commissioners to sanction all Estimates for the purchase or repair of Vessels &c^a required for Chabrans and Temples, at a cost of Rs 50 and under, and I do not see, why at least the same power may not be extended to them in cases of Estimates for repairs of the Muzarai Institutions also subject

4

subject of course to the forwarding of copy of the Estimates for registry in your office. — Under the above circumstances, I beg you will be good enough to consider the subject once more and obtain orders of Government. —

I have the honor to be,
Sir,
Your most obedient servant;
